Sponsorship/Donation Form
2010-2011**

Dear Business Owner:

Help our local Santiam Valley youth by sponsoring a YMCA youth sports team for the 2010-2011 season! Your sponsorship will allow us to keep our prices affordable to all families.

The YMCA prides ourselves in the fact that we do not turn anyone away because of the inability to pay. Our scholarship program provides financial assistance to those who qualify and enables them to participate in quality programs led by quality staff and volunteers.

Your local YMCA has over 1,000 participants in five sports and 100 plus kids that attend a Summer enrichment program every summer,. These activities provide a fun and rewarding experience for every participant! Your tax deductible sponsorship plus dollars raised in our Partners With Youth Campaign, helps make this happen!

We look forward to hearing from you very soon, and again thank you, you are appreciated!

Best Regards;

Lisa Eckis

Partners With Youth Campaign

Financial assistance is needed now more than ever to help fund much needed programs in the community.

- Youth Sport and Camp Scholarships: One out of every five of our 1,000 participants applies for financial assistance in order to cover their participation fees in YMCA activities. We pride ourselves in the fact that no one is ever turned away due to the inability to pay. Therefore, funds to provide these ever increasing number of scholarships becomes critical.
- Summer Enrichment Programs: We will be offering local Day Camps in June & July this summer. In order to keep the cost of these affordable, we need funds to supplement the cost of instructors, supplies, transportation and t-shirts for all of the participants.
- After School Activities: There is a HUGE need for a safe nurturing, fun environment for kids to go after school. This is a start up venture that requires starting from scratch financially.
- Family Programs: We want to provide programs and events that serve the entire family.

You can contribute to the success of this campaign—simply add your desired tax deductible donation amount to your sponsorship fees on the next page!
